## When to use this form

Complete this form to if you are:

- a holder of a mining lease or registered mining sublease that authorises you to mine for coal, or to carry out ancillary mining activities in connection with the mining of coal, and you are registering the mining area or sublease area as a colliery holding or to record it on the public register as part of an existing colliery holding before commencing mining operations under the lease or sublease; or
- a person who is lawfully carrying out ancillary mining activities on land in connection with the mining of coal (and doing so otherwise than as the holder of a mining lease or registered mining sublease) and you wish to have the land registered as a colliery holding or recorded on the public register as part of an existing colliery holding; or
- a person who has an interest in a registered colliery holding and you wish to amend or cancel the colliery holding registration.

This form has been prepared for the purposes of [s163](#) the *Mining Act 1992*.

If there is insufficient room in the fields, please provide the information as an attachment.

## Important notes

### Agents

If this application is lodged by an agent on behalf of the applicant/s, the Department may seek confirmation of the authority under which the agent operates and any limits of that authority. The agent will need to complete the declaration at the end of this form and supply evidence of their appointment, if not already supplied to the Department ([cl97](#) of the Mining Regulation 2016).

### How to submit this form

Refer to the cover page for details.

### Next steps

Within 14 days after an application is lodged with the Secretary, the Minister will either grant the application and cause the register to be updated or refuse the application on any of the following grounds:

- the application does not comply with the requirements of the *Mining Act 1992*, and/or
- if the application is for registration of a holding or with respect to the name of a holding - the name proposed for the holding may cause confusion (because, for example, it is the same as or similar to a name that is or was used for another holding, whether registered or not).
