

**ANNEX 2: DRILLHOLE EVALUATION SHEET – FOR MULTIPLE DRILLHOLES, TO EVALUATE DRILLCORE AND RC CHIPS FOR ACCEPTANCE AND DISPOSAL**

COMPANY:	PROSPECT:	DRILL HOLES:	OTHER DATA: e.g. Target, total metres, number of trays	EVALUATION DATE:	ASSESSOR:
----------	-----------	--------------	--	------------------	-----------

CREATE DROPDOWN MENU HERE		Strategic Criteria							Criteria based on geological features or values						Cost of redrill	Core condition		Other	TOTAL SCORE	POSSIBLE MAXIMUM	%	
Drill hole representative of Metallics Geothermal Nonmetallics Geosequestration Coal Stratigraphy Hydrocarbons CSG Water, hydrogeology Geotechnical		1.1	1.2	1.3	1.4	1.5	1.6	1.7	2.1	2.2	2.3	2.4	2.5	2.6	3.1	3.2	3.3	3.4				
CRITERIA		No representative core &/or samples currently held by the Department	Prospect sparsely drilled either along or across strike or at depth	Expected high demand	Mine in operation, closed, planned closure	Subeconomic mineralisation for future targeting	Important relative to existing core/samples from same site	Core at risk of total loss	Geological setting	Structural features	Mineralisation styles	Deep features or targets	Significant stratigraphy	Alteration styles	Isolated, remote, soon to be inaccessible location or otherwise unlikely re-drill	Condition of drill sample being offered	Core in better condition than equivalent core currently held at library	e.g. Unique features, recent discovery

RESULT										
Hole number	Score	Possible max.	%	Conclusions	Recommendations	Comments			Decision on payment	Approvals

CORE CURRENTLY HELD IN LIBRARY THAT CAN BE DISPOSED OF AFTER SCANNING (Note: Only rescore if necessary for record purposes)										
Hole number	Score	Possible max.	%	Conclusions	Recommendations	Comments			Decision on payment	Approvals

Explanations of ranking/score:	
Exceptional - core showing best examples of criteria	5 points
Significant - criteria very well exhibited	4 points
Important - the criteria are well exhibited	3 points
Standard - criteria present but not in a notable way	2 point
Insignificant - criteria expected but not clearly present	1 point
Not applicable - not relevant or criteria not expected to be present. No points allocated.	N/A
